- A *Kassenzeichen* reference number is indicated on the invoice. Please indicate this reference number when transferring money to the DPMA fee account. Please refer to the invoice for information on our bank details and terms of payment.
- If you want to pay by SEPA core direct debit mandate, you will need to – in some cases, only once – submit an original “SEPA Core Direct Debit Mandate” form (A 9530.1) signed by hand. If you have already done this or the DPMA has provided you with a mandate reference number (for existing direct debit mandates), it will be sufficient to specify the purpose of the direct debit mandate by using form A 9532.1. Please refer to the “Information Concerning the Use of the SEPA Payment Schemes” leaflet (A 9534.1) for details on the procedure.
